Register today for the April 24th Strategic Goals Program Workshop

Join Pollution Prevention Services on April 24th for a workshop titled **["EPA Regional Priorities, TRI 201, & DOT Transport Regulations."](#)** Open to all Iowa manufacturers, the materials presented will apply to a broad range of industrial sectors.

Mary Goetz, Waste Enforcement & Materials Management Branch Chief in the Air & Waste

Management Division within EPA Region 7, will share with us EPA's regional priorities. Later in the morning, an EPA Region 7 compliance officer will present information on the Toxics Release Inventory (TRI) and provide a live demonstration of how to data-mine the TRI database. In the afternoon Hazardous Materials Specialists from the Iowa Department of Transportation (IDOT) will present the DOT's transport regulations for hazardous materials.

These sessions will provide plenty of time for open discussion, so take advantage of this opportunity to learn, network, and share ideas!

This workshop will be hosted at the Courtyard by Marriott in Ankeny, Iowa. To register, please download and complete the [registration form](#) (PDF) and send it to jeff.fiagle@dnr.iowa.gov.

For an agenda and more information, visit [P2 Services' Workshop webpage](#).
